JUNIOR LEAGUE OF BOCA RATON

ALL-FEMALE VOLUNTEER ORGANIZATION

ANNIVERSARY

Celebrating 40 years since the launch of the organization as a service league; joined the Association of Junior Leagues in 1983.

IMPACT ON BOCA

Over the years, our local Junior League has donated time and funds to hundreds of area charities and cultural organizations, from Boca Helping Hands and In the Pines to The Haven and Palm Beach County Youth Orchestra. Today, JLBR, with more than 700 active members and sustainers, continues to make a difference by awarding grants through its Community Support Fund, helping area nonprofits to find funding through its comprehensive grant library and donating thousands of hours to various community projects. Major fundraisers for the league include the annual Woman Volunteer of the Year luncheon and Chocolate Decadence.

"Our board of directors has a combined 97 years of Junior League experience and a combined 38 years serving on the boards of other nonprofits. In their professional lives, they have titles such as vice-president, senior manager and managing director. Two are cancer survivors. They're successful, they're busy and they've volunteered to serve as our board."

**—Nancy Dookerty,
president of JLBR**
