**Boca Raton, FL-** On Wednesday, August 2, 2006 The Junior League of Boca Raton (JLBR) received word that our Funding Resource Library located in the Vegso Community Resource Center, (JLBR office) will now officially be its own Foundation Center Cooperating Collection (CC). This highly prestigious approval was granted based on an application that was submitted to The Foundation Center. The JLBR Funding Resource Library will join the other approximately 240 other Cooperating Collections in the United States.

“The CC approval is significant for our Resource Library and is very exciting news” said Cindy Krebsbach, immediate past-President of the Junior League of Boca Raton Endowment Board.

As a Cooperating Collection, the JLBR Funding Resource Library is available to grant-seekers at no cost, and provides access to *The Foundation Directory Online*, the leading grant-seeking database on the web, along with a core collection of Foundation Center directories and publications. Our Cooperating Collection also provides a wide selection of supplementary materials and services, which are most useful to grant-seekers. Through the programming of the Vegso Community Resource Center, The JLBR CC also offers educational sessions for the public, including classes on the basics of grant-seeking, dialogues with local donors, and serves as host for The Foundation Center’s fee-based, full-day grant-seeker training courses.
