January 2010

Dear Community Partner,

The Junior League of Boca Raton (JLBR) would like to ask for your support of the **23rd Annual Woman Volunteer of the Year Award Luncheon & Fashion Show**, benefiting our community projects and developing the potential of women. This event will be held on **Friday, October 8, 2010** at the Boca Raton Resort and Club, and will celebrate nearly 30 outstanding woman volunteers who have made extraordinary contributions in our community. The excitement and reach of this event recognizes, in a significant way, the strong relationships we share with our corporate and philanthropic partners.

This prestigious event is one of the largest attended fundraisers in South Florida, with over 1,000 of the area's most philanthropic and community-minded individuals attending. The 2009 event raised over \$125,000 to support our organization's vital mission and received glowing reviews throughout South Florida. As the needs of the community grow, specifically in these challenging times, so do the fundraising goals for 2010. Please join us in supporting our community.

This year, as we plan for the 23rd annual event, we continue to recognize how important this program is for organizations in our community. Volunteers are the backbone of what makes great things happen – new facilities for children, food for the hungry, innovative new medical technology, education, safety, foster programs, and much more. The Junior League of Boca Raton takes great pride in knowing that this luncheon allows organizations to recognize their volunteers and it gives our community a chance to thank them for their time, talent, and contributions. As you may know, proceeds from the event allow the Junior League of Boca Raton to answer the call for help from organizations in need. It is our single largest fundraiser and its success helps to shape the face of our community.

We are asking you to consider being a sponsor of this vital community event. Please see the attached list of sponsorship opportunities. We encourage you to take part in this exciting occasion as a benefit to both the community and to your mission. Your support will ensure the success of this luncheon, but most importantly, the success of the Junior League's community projects, whose existence relies on fundraiser revenues.

As an organization dedicated to developing the potential of women and improving our community through effective action and leadership of trained volunteers, we think it is fitting that Junior League serves as the host of this fabulous celebration. We have been improving our community for 38 years by providing funds and trained volunteers to a variety of key local community projects, paying particular attention to the needs of families and the welfare of children. The Junior League's many accomplishments through the years include the founding of the Children's Museum, Children's Place South, The Family Visitation Center, and the Teen Center, as well as the Boca Raton Historical Society.

The League's present community projects include:

- ***The Vegso Community Resource Center & Grant Writing Library.*** The Associations of Junior Leagues International recognized the JLBR for providing programming and training to help strengthen area non-profits.
- ***In the Pines.*** This project provides affordable housing and community services for agricultural workers. We have twice been recognized by the Associations of Junior Leagues International for our work with this project for more than a decade.
- ***Florence Fuller Child Development Center.*** Florence Fuller offers quality childcare to serve economically disadvantaged families.
- ***Spirit of Giving Network.*** A collaboration of more than two dozen non-profits addressing issues and working together to provide solutions.
- ***Kids in the Kitchen.*** An initiative of The Association of Junior Leagues International (AJLI) designed to help communities address the urgent issues surrounding childhood obesity and poor nutrition.
- ***Done in a Day.*** A JLBR program that offers volunteer support to a variety of community organizations that need help completing projects or their mission including Habitat for Humanity and the Caring Kitchen.
- ***Community Support Fund.*** A JLBR program that awards financial support of up to \$2,500 to non-profit organizations that meet specific requirements.

Please join with other Florida leaders and support our endeavors to improve our community. Your generous sponsorship and support of the 23rd Annual Woman Volunteer of the Year Award Luncheon will make an immediate and lasting impact on so many women, children, and families in need.

Thank you for your consideration.

Jackie Reeves, Chair
Woman Volunteer of the Year 2010
