Thank you for taking the time to learn how you can support the Junior League of Boca Raton (JLBR) through our Community Partnership Program.

**The League Matters.** For over 50 years, the Junior League of Boca Raton has been making an impact in the South Palm Beach County community. JLBR has addressed problems, devised initiatives, and founded programs to build better communities. We have trained generations of women to be leaders in business, in the nonprofit world, in neighborhoods, and in families. Our impact is positive and widespread.

**You Matter.** JLBR is only as strong as the individuals who join us to further our mission in the community. Each one of our donors strengthens the League through their donation of time, talent, and resources. We couldn't do it without your support and each one of our donors is important.

**Your Gift Matters.** Your gift to JLBR helps us make an impact within our community focus areas — child welfare and community support. The Junior League of Boca Raton devotes volunteer hours and dollars to many organizations tasked with the reality of solving these issues each day. We are able to do that as a result of the generosity of donors and businesses such as yourself that give us the resources to make great things happen for people and organizations in need within our community.

We invite you to join us as we continue to build on our previous successes! Please consider joining our Community Partnership Program. We need your partnership to remain a successful organization who serves our members and the community. We are deeply grateful for your consideration of a gift to our League. If you have any questions about the sponsorship opportunities and benefits or would like a sponsorship/benefits package tailored to your organization, please email [philanthropy@jlbr.org](mailto:philanthropy@jlbr.org) or contact 561-620-2553.
