**Mission**

The Junior League of Boca Raton, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

**Focus Areas**

The Junior League of Boca Raton focuses on three issues in our community: hunger, nonprofit support and child welfare.

A member of the Association of Junior Leagues International

Thank you for taking the time to learn how you can support the Junior League of Boca Raton through our Community Partnership Program.

**The League Matters.** For more than 45 years, the Junior League of Boca Raton has been making an impact on the South Palm Beach County community. JLBR has addressed problems, devised initiatives, and founded programs to build better communities. We have trained generations of women to be leaders in business, the nonprofit world, in neighborhoods, and in families. Our impact is positive and widespread.

**You Matter.** JLBR is only as strong as the individuals who join us to further our mission in the community. Each one of our donors strengthens the League through their donation of time, talent, and resources. We couldn't do it without your support and each one of our donors is important.

**Your Gift Matters.** Your gift to JLBR helps us make an impact within our three community focus areas — child welfare, feeding our community, and nonprofit support. The Junior League of Boca Raton devotes volunteer hours and dollars to many organizations tasked with the reality of solving these three issues each day. We are able to do that as a result of the generosity of donors and businesses such as yourself that give us the resources to make great things happen for people and organizations in need within our community.

We invite you to join us as we continue to build on our previous successes! Please consider joining our Community Partnership Program. We look forward to your partnership to remain successful as an organization who serves our members and the community.

We are deeply grateful for your consideration of a gift to our League. If you have any questions about the opportunities as they are presented or how it supports our work, please email [Philanthropy@jlbr.org](mailto:Philanthropy@jlbr.org) or contact 561-620-2553.

# WHO SEES YOUR SUPPORT

The Association of Junior Leagues International Inc. (AJLI) is a charitable nonprofit organization of women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers. What began as 80 young women traveling to Manhattan’s Lower East Side to volunteer at a settlement house has blossomed into a growing movement of trained volunteers improving their communities through advocacy, direct service, public education, fundraising and sheer hard work. Today there are over 150,000 Junior League members in 291 Junior Leagues in four countries – Canada, Mexico, the United Kingdom and the United States. The large majority of Junior Leagues – 284 – are in the United States.

Beyond accolades for more than a century of substantial community service, the over 150,000 Junior League members are a desirable audience for corporate sponsors seeking marketing opportunities as well as corporate citizenship initiatives.

## JUNIOR LEAGUE MEMBERS...

**ARE INFLUENTIAL CITIZENS:** Forty-one percent of Junior League members are “Roper Influentials” – political and social trendsetters. These women are a commanding force in the marketplace in terms of their purchasing habits, as well as those of the wide circle of friends and associates to whom they provide advice and guidance.

**ARE RENAISSANCE WOMEN:** Using GfK NOP’s LifeMatrix System, 37 percent of Junior League members are Renaissance Women, 25 points higher than women on average. They represent a diverse group – affluent, married, professionals, high-energy, connected women. They are able to balance work, family and a myriad of cultural and educational activities. Digital products and services play a central role in the day-to-day management of their households.

# JLBR COMMUNITY ISSUES

## HUNGER

- We are improving the access of food to families who are food insecure by partnering with non profit organizations like Boca Helping Hands whose mission is to address the issue of hunger and to break the cycle of dependency.
- Through these targeted initiatives, it is our goal to improve food security in our community by improving food availability access and use.
- Our Nutrition/Education program is designed to educate our community of their healthy, affordable food choices while living on a limited budget.
- We have developed and implemented an after school snack program with the goal of improving students grades by providing a healthy snack during a critical time of day.
- We continue to develop programs to assist our nonprofit community partners affected by the growing problem of food insecurity.
- Through a partnership with the City of Boca Raton, the JLBR maintains the largest community garden in South Florida, located at 101 NW 4th Street. The mission of the Boca Raton Community Garden is to cultivate the spirit of community and enhance quality of life by creating and sustaining an organic garden of vegetables, flowers, plants, and trees as well as being a supplemental food source for Boca Helping Hands.

The issue of hunger affects our community in several ways.

Approximately 16% of the households in Florida are food insecure and **20% of our community's children live in food insecure households.**

# CHILD WELFARE

The Junior League of Boca Raton has a long history of dedication to the children of our community. Child Welfare is an issue that the League has focused on in numerous ways for more than 40 years and through various programs, projects and nonprofit community partners. We are tackling the problems affecting the health, safety and well-being of children in our service area in the following ways:

The League will continue to identify the problems affecting child welfare in our community and develop and implement programs such as:

- iShine, our self esteem program was launched in 2014 with the goal of educating young women about the issues of bullying, internet dangers, nutrition, body image and self defense.
- The League created the Diaper Bank to serve a huge need in our community. One in three mothers struggle to provide enough diapers for their babies. Parents cannot take advantage of free or subsidized childcare if they cannot afford to leave a days' supply of disposable diapers at the childcare center.
- Along with our non profit community partners, through Done in a Day programs, we serve our community to improve the health, safety and well being of our local citizens.

## DIAPER BANK STORAGE SPONSORS:

# NONPROFIT SUPPORT

By providing support and training to our nonprofit community, the League is able to empower them to improve their organization's success and sustainability. Our highly-trained volunteers donate over 20,000 hours a year to fulfill the needs of our nonprofit community partners.

- We provide training through various programs at the Vegso Community Resource Center. Specialized training workshops are held for all of our area nonprofits.
- Our resource center enables nonprofits to research funding opportunities through our grant library. The Center's Resource Library houses the Foundation Center's Cooperation Collection core materials and other resources which are extremely useful to nonprofit organizations seeking funding and information about nonprofit management. In 2007, the Vegso Community Resource Center received the Vision Award from the Association of Junior Leagues International.
- Our community Support Fund is the granting arm of the League that allows nonprofit organizations within our service area to apply for grants to fund their programs and initiatives.
- We advocate for our League and community issues of concern at the State Public Affairs level and through the development of relationships and partnerships with our community leaders and representatives.

Junior League of Boca Raton Diaper Bank is the only diaper bank in Palm Beach and Broward Counties. **We currently distribute approximately 140,000 diapers every other month** to local nonprofit agencies. We help diaper well over 800 babies per month.

The Center's Resource Library houses the Foundation Center's Cooperation Collection core materials and other resources which are extremely **useful to nonprofit organizations seeking funding and information about nonprofit management.**

## SOCIAL

JLBR is full of young tech savvy members as well as more seasoned members who have jumped head first into social media. As a result, JLBR has a very engaging and well-followed social media presence. With over 2,300 page likes on Facebook, 1,000+ Twitter and 1,000+ Instagram followers, the JLBR is VERY social, both face to face, and online.

## WEB & EMAIL MARKETING

www.JLBR.org is updated regularly. It contains the standard information one would expect on any good site, but it also includes up-to-date event information, ticket sales, press releases, nonprofit training information and a very in-depth member only section that keeps both members and supporters coming back on a regular basis.

JLBR regularly communicates with our members and supporters through email marketing. With an open rate as high as 63% and an average click-through rate of 10%, our members, nonprofit partners and community supporters are always pleased to see us in their in-box.
